

# WORKS BETTER.

**European Union**

European  
Social Fund

## **Works Better is a new 'into-work' programme that provides employers and organisations with motivated, committed and loyal staff.**

Across our previous programmes we have worked with over 500 companies across Calderdale, Kirklees and Wakefield and supported them with a package of support and one-to-one mentoring that has resulted in over 1000 vacancies filled. (With over 89% still in post after six months!)

*The people we work with know that Works Better! We work with a diverse range of people, take their energy & enthusiasm, add a programme of support & one-to-one mentoring, to create a candidate that will be an asset to any company in the area. In connecting them to suitable vacancies through our 'bespoke matching service' we ensure they are a right fit - first time for your organisation.*

*"Any reservations I had were quashed on the first day our new employee started ... we would definitely recommend Works Better to others looking to recruit."*

*Roger,  
Local employer (Elland)*

## **We are looking to work with local companies who can see the benefit of employing someone returning to work.**

We understand that not all vacancies are suitable, but we would welcome the opportunity to discuss your recruitment needs and identify opportunities where we can help.

## **How can we help?**

- Look at your recruitment processes and review your job descriptions to maximise the number of candidates applying
- Put you in contact with candidates who have completed relevant pre-employment training and are ready to start
- Help to screen applications - advertise, interview and shortlist for your consideration
- Arrange interviews and work experience opportunities
- Support to manage your new employees transition into your work place through in work support

**No cost to Businesses!**

If you would like to discuss potential vacancies or have any questions, please don't hesitate to contact Works Better by email [works.better@kirklees.gov.uk](mailto:works.better@kirklees.gov.uk), by telephone **01484 221000** (ask for Works Better) or visit [www.worksbetter.co.uk](http://www.worksbetter.co.uk).
